

"FOCUS ON PHYSICAL HEALTH TOO"

Symposium 2011

Symposium 2011 continues Schizophrenia Fellowship's tradition of providing stimulating speakers and thought-provoking discussion on topics of current interest. This year's topic

"FOCUS ON PHYSICAL HEALTH TOO"

Includes:

- An address by our President Judge Frank Walker
- the keynote address by our CEO Rob Ramjan AM
- A valuable address from Professor Tim Lambert on his special "Physical Health for those living with a mental illness"
- A presentation from Professor Philip Mitchell on "an update on Bi-Polar disorder—Treatment and Causes"
- Insight into "New Moves" by Philippa Boss & Kate Gill "Mental Health Sport Network"
- A Healthy diet by Jan Plain—Dietician Macquarie Hospital
- A presentation by Executive Director of Mental Illness Fellowship Australia—David Meldrum
- A National Panel discussion facilitated by Julie McGrossin on Physical Health

We also have two personal stories from Juanita Fyshwick and Linda Mizzi plus a song on their own journey of recovery.

The Schizophrenia Fellowship of NSW Inc. is a community-based non profit organization which brings together consumers, carers and professionals to work together to improve the lives of people living with schizophrenia and allied disorders

The Vision of the Fellowship is:

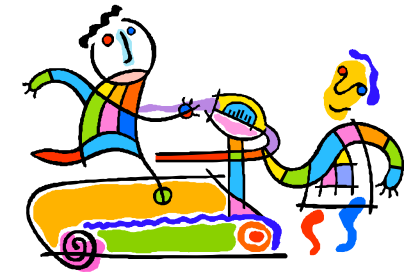

A Society in which people with mental illness are valued and treated as equals

The Annual Symposium, held during Schizophrenia Awareness Week, provides a forum for consumers, carers and professionals to come together to hear about and discuss the latest in research, therapy and services (or the lack of them) for people with mental illness
